

Term vs Life Insurance — Kaunsa Sahi?

**Insurance = Parivar ki suraksha, kamai
ka zariya NAHI**

Term = Sirf protection

Chhota premium, bada cover

Endowment = Protection + Saving

Maturity par paisa wapas

Term ~ ₹10-15k/yr

Endowment lakhs/yr (approx)

Endowment return ~4-6% (approx)

Protection + saving milane se dono kamzor

Buy term, invest the rest

Bada cover + zyada paisa (discipline chahiye)

**Term □ Sasta, bada cover, simple □ Jiyo
to wapas nahi**

**Endowment □ Maturity paisa, forced
saving □ Mehnga, chhota cover, kamzor
return**

Pehle protection, baad mein saving

Dependents ho → Term zaroori

Sirf endowment ko poora insurance mat samjho

Term cover = salary ka 10-15x

Term = protection

Endowment = forced saving

Insurance ka pehla kaam = suraksha
