

DREAMS — Hum Sapne Kyun Dekhate Hain?

1 cycle = ~90 min

Raat me 4–6 cycles

REM = Rapid Eye Movement

Body paralyzed = REM atonia

**Logic OFF, Imagination ON — isliye
sapne weird lagte hain**

**Dreams = dimaag ki raat ki safai aur
filing**

REM = overnight therapy

Bhavnaon ko process karta hai

**Dreams = khatron ki safe practice
(Revonsuo)**

**Random signals → brain banata hai
kahani (1977)**

Roz sapne aate hain

Lucid dreaming = control!

Nightmare (REM) vs Night Terror (deep sleep)

Dreams = smarter + emotionally strong
brain

**Quick Brain Check! Video PAUSE karo —
3 sawaal**

Answers: REM

REM Atonia
