

FOCUS Aur Concentration **Kaise Badhayein?**

Tumhe kya dikh raha hai?

Ped, aasmaan, patte, panchhi

Sirf panchhi ki aankh

Ab teer chalao

Multitasking nahi

Ek kaam, poore mann se

25 min focus + 5 min break

Bina rukawat

Willpower se mat lado

Distraction door rakho

Concentration ek muscle hai

Roz 10 minute

Thaka dimaag focus nahi karta

Sharir theek, dimaag tez

**1) Ek kaam 2) Focused session 3) Roz
practice + neend**

Jahan dhyan, wahan zindagi badhti hai
